# PRESIDENT'S REPORT
## 2026 GCTTA AGM

Our club has continued to enjoy strong growth in every category.
Lukas Kozak continues to do an outstanding job as Centre Manager. He copes well with all the tasks with the days to day running of the Club. His work on the Club website management is first class. Everyone is informed, and event statistics are always kept up to date. Thank you Lukas!

Your Committee continues to work well together, carrying out the multitude of tasks and responsibilities, which keep us moving forward. Thanks also to the many volunteers who help out with working bees and centre events. It is however, the support of Memberships that enables us to be successful.

The Club held many local, State and National tournaments throughout the year, all well subscribed.
Thanks to efforts of Lukas, Jakob Fensom, and of course Zark Roksandic, our event officials, and the many volunteers who work tirelessly in presenting all these tournaments. Thank you all.

The Club continues to support many groups in our community, including Gold Coast Recreation & Sport Athletes Disability Services, school sport groups and intra-school sport competitions, the Gold Coast Korean group. Thanks to Kenny Yi, Harim Lee and the Kim Family.

The Broadbeach Seniors Club continue to be a great asset to our Club, providing further opportunity for social play on Wednesday and Friday afternoons. Many thanks to John Clements, Karen Mueck and Arun Kumar.

Our own senior doubles on Friday mornings continues to flourish for well over 30 years now. Thanks to Geoff Badham, Phil Bryce, and Tony Irvine for organising draws and putting it all together.

The introduction of our Neuro Table Tennis Program, organised by Lynne Torrington as coordinator has been an outstanding success. Ably assisted by Van & Mary Cassis, Augusto & Emiko De Angelis.
This Program helps people with Parkinson's, MS, stroke victims, dementia and autism, using table tennis as a form of therapy. The program is a great asset for our community and we would like to extend our thanks to our local Councillor Joe Wilkinson, who support with funding is gratefully acknowledged. Thank you Lynne and Joe.

Our coaching staff continue to shine, offering top class tuition to all levels of play. Thank you to Cathy Collins, Van Cassis, Lynne Torrington and Cohen McMaster for the coordination of weekly junior squad and adult coaching. Our personal private coaches, Stella Shim, Naoya Yamamoto, Cathy, Jakob, Cohen, Andrey Donets amongst others, all helping to improve standards and enjoyment of our great game.

I would also to like to mention our cleaners Charlie Voges and Ernie Weaver for their weekly cleaning. It is often mentioned to me how good the Club facilities look. I can't take the credit, thanks to Charlie and Ernie. Also many thanks to John Slattery, Phil Caldwell as well as Ernie and Charlie for all the centre maintenance they handle so well and the lawn & gardening upkeep, which always looks great.

Vale Heinz Pepping. As many may know, Heinz lost his long battle with prostate cancer. Heinz was a former Vice-President and Committee Member for a number of years. He was a valued Member of our Club, always willing to help out in any way he could. He gave me great support when a group of dissidents tried to replace the management committee on scant advice. His service in Victoria can be viewed online. RIP HEINZ.

The leader of a small, but regular Friday Morning group, Don Beeling, passed away suddenly only last week. I found him to be a lovely man and condolences to his family and all that knew him. RIP Don.

The Club and its Committee continue to keep abreast of maintenance issues. The lighting has been a challenge with several failing at inopportune times, requiring an electrician. Flooring can also be a challenge as it moves and requires maintenance to joints. Please report any issues you may have. Some repairs were made to solar panels, guttering and roofing. The air-conditioning required upgrades as well. We continue to budget for maintenance and infrastructure issues, as our centre ages gracefully.

The Committee would like to once again thank all Members for their support in 2026 and we all look forward to 2027.

Yours Faithfully,

**Mick Coughlan**

# Treasurer's Report

The Gold Coast Table Tennis Association has had another strong financial year, exceeding gross operating profits and increase to net surplus to the previous year. The Association remains in a healthy financial position, with average weekly takings of approximately **$5,270** and average weekly outlays of over **$2,400**.

**Income Overview**
The Club's **weekly fixtures and social/casual sessions** continue to serve as its primary source of income, generating **$130,350** for the year. Other significant income streams include:

- **Memberships:** $25,550
- **Coaching:** $20,650
- **Canteen Sales:** $17,770
- **Equipment Sales:** $15,860
- **Hall Hire, Events, Schools and Other Groups:** $57,245

These figures represent a total amount for each income category.

**Operating Expenditure and Utilities**
Increased centre usage and rising energy rates over the past 12 months have reduced the Centre's solar feed-in capacity, resulting in the loss of prior energy credits. The current electricity account averages a **debit of approximately $4,000 per quarter**.
Despite these higher utility costs, the additional income generated from extended operating hours more than compensates for the increased expenditure. The Committee is applying for funding to install a **solar battery system** to reduce future electricity costs.

**Fundraising and Donations**
Through **sponsorships, raffles, social activities, and contributions to the Agnes Foundation**, the Association received total donations of **over $3,000**. We extend our sincere appreciation to all patrons and Members for their generosity and encourage ongoing support of both the Club and the Agnes Foundation.

**Interest Earnings & Term Deposit**
The Association's interest-bearing cheque account earned **$1,166** in interest over the 12-month reporting period. A CBA Term Deposit account was opened at the end of September 2026 of **$200,000** at 4.20% for 6-months.

**Maintenance, Upgrades and Development**
Several maintenance projects and facility upgrades were undertaken during the financial year, including:

- Centre maintenance, sewage maintenance, air-con service, fire checks - **$ 17,397**
- Cleaning services and supplies - **$16,282**
- Electrical works - **$3,694**
- Building and Business insurance renewal / Workcover QLD - **$14,000**

**Grants and Funding Support**
The Club was successful in securing several grants throughout the year, including:

- **2026/27 Discretionary Grants Program (Division 7 Council):** assist lighting upgrade project - **$2,194**
- **Australian Government Volunteer Grant:** support volunteers for Club programs - **$1,000**
- **City of Gold Coast Social Sport Program (2025/2026):** Neuro Table Tennis Program - **$6,300**
- **Queensland Government Play On Vouchers:** Junior participation support - total value **$12,600**
- **Australian Sports Foundation:** Fundraising Campaign for Neuro Program - raised to date **$1,766**

It should be remembered that our Association is a not-for-profit organisation and any income generated is used to improve the Club and centre services for the benefit of the Members.

A copy of the Auditor's Income & Expenditure Statement and Balance Sheet accompanies this report. The full Audit Report is presented separately. Please note that the Association's financial year runs from 1st October to 30th September. Thank you
