## Friday Morning Fundraiser for Diego

**On 17th November 2017, the Friday morning social doubles group held a fundraising luncheon for club member Diego Espinosa, with all proceeds going towards his cancer treatment.**

*For those who are unaware, Diego has Brain tumour stage 3. Please read his story and support him as much as you can: <https://www.gofundme.com/helpdiegofightbraincancer>*

**It was a combined event with doubles games first off (as usual), followed by a lunch in the centre foyer. There were 26 players and 28 people attended the lunch. All catering was capably handled by Heinz Pepping, Phil Caldwell & Agnes Herbertson, with some extra by Sam Wyatt and others helpers.**

**A total of \$700 was raised through the event by the Friday morning social group. A splendid effort. Many thanks to all who donated so generously.**

## IN MEMORY

### **Vale Gil Tauris**

Former esteemed member Gil Tauris lost his battle with prostate cancer on 14th February 2018. Gil retired from fixtures at GCTTA back in 2013, due to his illness at 80 years of age. He was an inspirational competitor who loved our great game. Gil achieved much success as a veteran player for NSW often placing in the top ten in order of merit in his particular age group.

Gil had a zest for life and was great company. He became a mentor of mine and always gave sound advice. He will be sadly missed and fondly remembered. He is survived by his Dear wife Noelene Tauris, President of South Tweed Table Tennis and current GCTTA fixture player. Gil's Service was well attended by many GCTTA and South Tweed Clubs Members.

Our sincere condolences to Noelene, Family and friends.

### **Club Stalwart Remembered**

Long serving member Saci Papp lost her brave battle with pancreatic cancer in early January this year. Saci was a club stalwart at GCTTA, often playing four or five times a week. She also played in many Australian Veterans and Intra-Club Championships.

Back in November 2017 a few of us went to visit her after playing the State of Origin at South Tweed. We found her to be gracious, welcoming and optimistic. Condolences also to her family and friends.

### A day out at Oxenford Studios

They say all good things come in threes and this is the case for Oxenford Studios, with the northern venue hosting not one but three spectacular sports.

Spectators are sure to be astounded by the lightning speeds of a squash ball traveling at 283kph, mystified by the agility and reflexes of the Commonwealth's best table tennis players and lit up by the masterful boxers gliding around the ring.

GC2018.com looks at how every sporting fan can have a great day out.

#### Thrive on intensity?

There is no doubt table tennis is a sport of skill, speed, agility, focus and precision.

If this is the kind of intensity you thrive on, then the first day of GC2018 action (Thursday 5 April) is your ticket for a great Games day out with two table tennis preliminaries on offer.

**The first session will start at 9:30am with both the men and women's teams hitting it off until 2:30pm.** The next session will then commence an hour and a half later, enough time for you to refuel for another five hours of table action.

#### Sport enthusiast?

Monday 9 April is the ultimate sport day for any fan!

Kicking off your multi-sport campaign will be some Table Tennis semi-finals with the men's teams taking to the tables from 9:30am-2:30pm.

**Continuing the sporting journey of a lifetime, you'll need to head next door for the men's and women's singles bronze medal matches of the Squash competition.** The session did start at 12:30pm, but it does give you the option to decide which arena deserves your attention.

Wrapping up the penultimate day of sport will be a determined display of the Boxing preliminaries. Both the men and women will take to the ring from 6:30pm-10pm looking to safely progress to the quarterfinals the following day.

#### Try something new

Do you like the idea of the unexpected? Experiencing things you never have or rarely get to?

Well why not venture out to the Oxenford Studios on Thursday 12 April for some table tennis and squash action.

Light up from 9:30am-3pm with the singles, doubles preliminaries for the men's, women's and mixed table tennis competitions taking place – inspiring a creative morning for you.

**A truly unique Games day out wouldn't be complete without experiencing the Festival 2018 performances.** So, while you wait for your next enthralling competition, why not head to the Museum of the Moon sculpture in Southport.

Three years ago Table Tennis Queensland worked successfully with San-Ei and Table Tennis World to deliver a fantastic 2015 Australian Veterans Championships event at Caloundra, and we look forward to working with them again to deliver another amazing event, which will see the best players from Queensland and other states and territories across Australia competing in Townsville. ### TTA Welcomes Table Tennis World as a New Partner

TTA is pleased to announce that Table Tennis World has signed on as a new partner. Through the partnership, Table Tennis World will be the exclusive Equipment Supplier for the TTA Sporting Schools Program, as well as the Official Sponsor for the Best Player Awards at the Australian Veterans Championships.

Upon signing the agreement, Table Tennis World Director and Australian table tennis icon Paul Pinkewich said 'Table Tennis World will always try to help grow and develop the sport throughout Australia. Getting involved at the grass roots level through the TTA Sporting Schools Program enables us to provide access to table tennis to tens of thousands of children. We hope that the experience they have through school programs will encourage them to become regular players at club level and beyond. We're also happy to continue supporting the Best Player Awards at the Australian Veterans Championships. We've supported these awards for more than 10 years, but we're pleased to formalise our support through this agreement and we look forward to continuing to support TTA for many years to come'.

TTA Chairman Phil Males was equally pleased with the announcement, saying 'Table Tennis World have been a long time supporter of both TTA and table tennis in Australia. We're pleased that they've come on board through this partnership and we're looking forward to working together as TTA rebuilds towards a bright future. TTA welcomes Table Tennis World to our partner family and we're appreciative that they've shown faith by partnering with us'.

TTA is always looking to source partnerships with likeminded businesses. If you'd like to learn more about other opportunities available, please email [ceo@tabletennis.org.au](mailto:ceo@tabletennis.org.au).

### Scott Houston Appointed as Chief Executive Officer

The TTA Board are pleased to announce that Scott Houston has been appointed as the TTA CEO on a four-year contract.

Scott has been working as TTA Interim CEO since September 2017. In that time TTA has taken multiple positive steps forward and feedback about Scott's performance from all key stakeholders has been complimentary. Based on this, the TTA Board, after consulting with the Australian Sports Commission, had no hesitation in offering Scott the role of TTA CEO as an ongoing appointment.

Scott's appointment provides further stability around TTA's financial, operational and administrative requirements. With strong plans in place for 2018 and beyond, the TTA Board has full confidence that Scott will continue to lead the organisation forward.

Please join me in wishing Scott all the best for his ongoing appointment as TTA CEO.

Phil Males  
TTA Chairman

### Tip of the Month

#### Shorten Your Swing

This is especially important for people who play other sports like tennis, baseball, golf or softball. These sports typically encourage longer swings than are appropriate for table tennis. A longer swing gives you a higher margin of error and slower reaction time due to the extended time it takes to get your arm and body back in position. Table tennis is best played with a compact swing on both the forehand and backhand, limiting follow through on most shots but reserving a longer swing for offensive, topspin shots. Shortening the swing will also increase accuracy and help you to be more precise with your placement.

### Rule of the Month

#### Doubles, Order of play

Rule 2.08.02 states...

*"In doubles, the server shall first make a service, the receiver shall then make a return, the partner of the server shall then make a return, the partner of the receiver shall then make a return and thereafter each player in turn in that sequence shall make a return."*

This means that you must follow the correct sequence for serving and receiving to comply with the table tennis doubles rules.

For example, let's imagine two teams ... A & B and X & Y.

Player A serves to player X who then returns the ball.

Player B must then play the next shot and player Y must play the next shot.

The same sequence must then be repeated (A, X, B, Y) until the point is decided.

Players can stand wherever they want, and can play their shots from any position. The only restriction is during the service, when the ball must be behind the server's end line (the same as in singles play).
